OPINION OF THE COMMISSION

PER CURIAM:

This matter has now been presented to the Commission for consideration of a compromise final settlement of (1) the claims in Docket 22-B for compensation for the taking by the United States of the lands of the aboriginal Mescalero Tribe located in the present State of New Mexico, and (2) the claims in Count I of the petition (Second Amended Petition) in Docket 22-G for damage for trespass on said lands.

The Commission, being fully advised, and in agreement with the proposed compromise final settlement, has entered herewith with a preliminary statement and supplemental Findings of Fact Nos. 39-50, together with our final determination or judgment in this matter.
