Docket No. 235

ORDER DISMISSING CAUSES OF ACTION

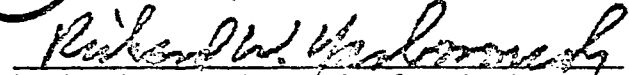

On February 13, 1969, defendant filed a motion for summary judgment [herein treated as a motion to dismiss] respecting the fourth and fifth causes of action set out in the petition, which causes of action relate generally to the failure of defendant to provide adequate educational and medical facilities.

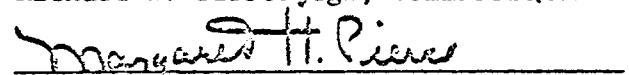

On the record this Commission determines as a matter of law, plaintiffs not objecting, that the said fourth and fifth causes of action set out with particularity in the said petition fail to state causes of action cognizable as claims under the Indian Claims Commission Act and the same are hereby dismissed with prejudice. Gila River Pima-Maricopa Indian Community, et al., v. United States, 20 Ind. Cl. Comm. 131 (1968).
