FINAL AWARD

Upon the findings of fact numbered 1 through 57 heretofore entered in the case at bar, the opinions issued concurrently with the said findings of fact, the additional findings of fact and opinion this date issued in the case at bar, all of which are hereby incorporated in this final order, this Commission concludes as a matter of law that:

1. Plaintiff is entitled to summary judgment denying defendant credit for land allotments to individual Washoe Indians, since the allotments were not a tribal benefit; and
2. Defendant is entitled to deduct from the sum of \$5,053,350 previously awarded to plaintiff by this Commission, offsets for money expended under Section 5 of the Indian Reorganization Act of 1934, in the amount of \$94,000 for land for the plaintiff tribe, and
3. None of the other moneys expended for plaintiff tribe and claimed by the defendant are allowable as offsets for reasons set forth in the opinion filed herein; therefore

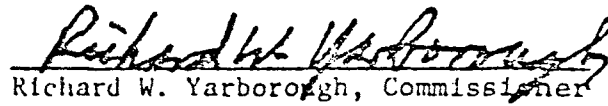

IT IS ORDERED that plaintiff's motion for summary judgment as to offsets for land allotments to individuals is granted, and it is

further ordered that the plaintiff recover a net judgment in the amount of \$4,959,350.
