THE UNITED STATES OF AMERICA,	)	
	)	
Defendant.	)	

INTERLOCUTORY ORDER

Upon the findings of fact numbered 34 through 49, and the opinion this day entered herein, all of which are made a part of this order, the Commission concludes that:

1. The lands held by plaintiffs under aboriginal Indian title which were taken by defendant comprised 282,415.73 acres.
2. The fair market value of said lands as of the respective dates of taking was \$938,000.
3. Since the said lands were acquired by defendant without payment of compensation, plaintiffs are entitled under Clause (4), Section 2, of the Indian Claims Commission Act to recover said amount, subject however, to deductions for such offsets as may be allowable.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the plaintiffs shall have and recover from the defendant the amount of \$938,000, less such offsets, if any, as may be allowable under the Indian Claims Commission Act, which question has been tried and briefed and is now under consideration by the Commission.

Dated at Washington, D. C., this 17<sup>th</sup> day of December 1970.
